

Suzanne's School of Dance & TUTU TOTS Announcements 2019

- 1. No food or drinks in the auditorium - STRICTLY ENFORCED BY THE SCHOOL!!**
2. No smoking on school property.
3. No parking in fire lanes.
4. During the recital all aisles and doorways are to be clear in accordance with the New York State fire prevention and building codes.
- 5. No dancers are allowed in the auditorium with costumes before and during recital. No dancers are allowed in the cafeteria during intermission.**
6. Parents who are dressing room chaperones or parents who are helping with costume changes must exit the auditorium between dance numbers. Exiting and entering the auditorium during dances is extremely distracting for the students.
7. Absolutely no exiting from the stage. Each child will return directly to the dressing rooms after rehearsal/recital performance. Parents are not to take their children off the stage. This is for the safety of your child!
8. All students will have their hair up off their necks. Refer to your costume accessory list.
9. No underwear or jewelry for dress rehearsals and recital unless otherwise stated.
10. Every child must have all the pieces to their costume. (Ex: wristbands, choker, headpieces, correct color tights, etc.) If a child is missing a piece of their costume ALL students must perform without that piece. Please keep track of your child's accessories.
11. Please allow yourself enough time to properly park your vehicles and get into the auditorium on time as our performances will start promptly. This will enable you to find your seats before the lights go off in the auditorium and the recital begins.

Thank you in advance for your continued cooperation!
