

Suzanne's School of Dance & TUTU TOTS
Dressing Room Requirements 2019

At SSD we practice **SAFETY FIRST!** Please follow the below security measures to ensure the safety of our students!

- You will receive **ONE** color coded bracelet that must be worn in order to access the dressing room. This bracelet will be placed on the wrist of whoever will be backstage with your child.
- The recipient of the bracelet must be a female over the age of 18 (preferably the mother/stepmother/grandmother). There will not be multiple bracelets distributed!
- We will have security checking the bracelets and granting access to the backstage area. ***If you do not have a bracelet you will not be allowed backstage!***
- Please be respectful of these rules and of the security staff. There will be no exceptions in order to protect your children's safety! The security staff are volunteering their time for your children and are under strict instructions from Miss Suzanne.

Please let us know if you have any questions or concerns.

Thank you and we are looking forward to a great recital!

~Miss Suzanne
